

2021 IEEE International Conference on Consumer Electronics and Computer Engineering (ICCECE 2021)

2021/01/15 – 2021/01/17 China • Guangzhou

Notification of Paper Acceptance

Dear Author(s),

We are pleased to inform you that your paper (check the details in the table) has now been accepted by the Conference based on the reviewers' reports from The Scientific Committee. Your paper will be published by IEEE and will be submitted to IEEE Xplore, EI Compendex, SCOPUS and CPCI for indexing.

Manuscript No.	JJ2IVZWQDP
Name	Yu Lun Wu
Manuscript title	DenseFuseNet: 3D Semantic Segmentation in the Context of Autonomous Driving with Dense Correspondence
Remark	

We cordially invite you to join China • Guangzhou and the relevant notifications are as follows:

1. Paper submission

Please submit a revised manuscript which addresses all of the reviewers' comments via AIS system. (both Word and PDF version are needed)

2. Conference registration

Every accepted paper must be registered before it can be published. The publication Fee (3600 RMB per paper) is charged for papers accepted. For paper exceeding 4 printed pages, extra typesetting cost is charged with 400 RMB per exceeding page. Guangzhou KEO Information Technology Co., Ltd., the organizer of the conference, is entrusted with receiving the registration fees for the conference of the authors from Mainland China and issuing invoice to them. Please log in the AIS system, register and make your payment according to the procedure.
